

Foundation for Nuclear Studies

Promoting sound public policy by educating and informing policymakers and their staff on nuclear science and technology matters.

Join FNS on an international trip with Congressional Staff.

Attend intimate dinner conversations with elected officials and newsmakers in nuclear.

Host a Congressional Staff Delegation tour of your facility!

Support Us!

The Foundation for Nuclear Studies is a 501(c)(3) nonprofit organization that promotes sound national policy on nuclear science and technology by providing information and educational opportunities for policymakers, their staff, and the general public.
